The board has the option of accepting, rejecting, or modifying the proposed stipulation or asking for additional facts to be presented. If the board accepts the stipulation or modifies the stipulation with the agreement of the respondent, the board shall enter an order in conformity with the terms of the stipulation. If the board rejects the stipulation or the respondent does not agree to the board's proposed modifications to the stipulation, the normal process will continue. The proposed stipulation and information obtained during formal settlement discussions shall not be admitted into evidence at a subsequent public hearing.

1.6. If the Board accepts this stipulation, the Board will release and discharge [REDACTED] from all further ethics proceedings under chapter 42.52 RCW for matters arising out of the facts contained in the complaint in this matter, subject to payment of the full amount of the civil penalty due and owing, any other costs imposed, and compliance with all other terms and conditions of the agreed order. [REDACTED] in turn agrees to release and discharge the Board,

its officers, agents and employees from all claims, damages, and causes of action arising out of this complaint and this stipulation and agreed order.
